

Michiel Joris van Oosten

Self taught programmer. Analytical and thorough. Forever inquisitive.

Education

- 1982–1988 **VWO (Preperatory Scientific Education)**, *Pax Christi College*, Druten, The Netherlands, .
Graduated with maths and science subjects. Beta subjects at Dutch high schools.
- 1988–1993 **Courses in Maths, Philosophy and History**, *Universities of Leiden and Amsterdam*, Leiden and Amsterdam, The Netherlands, .
Enrolled in maths degree right after high school. Changed to philosophy after a year. Took some time off then started history degree. Left in '93 for Australia to do music education.
- 1995–1998 **Diploma of Music**, *Griffith University*, Brisbane, Australia, .
Self taught pianist from 89. Auditioned in '93. Music is difficult but one of the few worthy challenges in life I think.

Work

- 2015–2020 **Programmer**, *DigitaleChecklisten*, Amsterdam, Netherlands.
Startup, offering checklists, but on top of that analytics, and case/process management
- Added features such as search and filter, contact management, user interface, testing framework to the main app, but also worked on upgrading, importing data and general bug fixing in both front (Ember) and backend (Rails).
 - Built the accompanying admin app in clojure.
- 2013–2014 **IT Consultant**, *Mamre*, Brisbane, Australia.
Disability organisation. Implemented databases, websites and supplied general IT support
- Developed two websites which were in production for a few years
 - Technologies used: Drupal, CiviCRM, Apache, Linux, VPS (Linode).
 - Held tutorials on the use of Drupal and CivCRM.
- 2012–2014 **Developer and maintainer of website**, *Firstdoor*, Brisbane, Australia.
Business website
- Built from scratch on nodejs
 - Technologies used: Javascript, HTML, CSS, Nodejs, AngularJS
 - Served by custom built server: github.com/michieljoris/bb-server
- 2011–2013 **Developer of web application**, *Multicap*, Brisbane, Australia.
Roster and time sheet management app.
- Built using CouchDB and SmartClient

1/2 Rosslare Ct – Kuluin QLD 4558 – Australia

2001–2013 **Piano studio**, *Self-employed*, Brisbane, Australia.
 Self taught pianist. Started playing piano at 19. Finished music conservatorium at 1998.
 Some public performances.
 ○ Loved teaching all levels for 10+ years, giving occasional charity concerts.

Miscellaneous

2011–2014 **A number of other websites and projects**, *Private contractors*, Brisbane, Australia.
 Some built on Nodejs, some using Drupal
 ○ Examples: www.greenglass-terrariums.com, julangart.com

Computer Languages

Clojure(Script)	Advanced	<i>Main language used at work (and for fun) last couple of years</i>
Javascript	Advanced	<i>Built full stack framework in it (2014), Ember was frontend framework at work last couple of years</i>
Ruby	Intermediate	<i>Rails was backend framework at work last couple of years</i>
Lisp	Intermediate	<i>Did TEOCS in Common Lisp, Scheme for SICP</i>
Java	Intermediate	<i>Not my favorite, but I did do some hobby projects</i>
C	Intermediate	<i>Learned to program in C as a teenager</i>
HTML, CSS, SQL	Intermediate	<i>Know what I need</i>
Haskell, Ruby, Coffeescript, Erlang, PHP	Beginner	<i>Dabbled and/or read some books on them</i>

Computer skills

Databases	CouchDB, MySql	Libs	React, Ember, Rails
Editors	Emacs, Vim	CMS	Drupal, Joomla
OS	Ubuntu, Windows, MacOS	Other	Docker, Vagrant

Natural Languages

Dutch	Fluent	<i>Mother tongue</i>
English	Fluent	<i>Resident of Australia since '94</i>
German	Intermediate	<i>Understand it mostly</i>
French	High school level	

Other interests

○ Piano, speed skating, cycling, sailing, classical music, literature.
