

# Michiel van Oosten

---

*Self-taught. Analytical and thorough. Forever inquisitive.*

---

## Education

- 1982–1988 **VWO (Preperatory Scientific Education)**, *Pax Christi College*, Druten, The Netherlands, .  
Graduated with maths and science subjects. Beta subjects at Dutch high schools.
- 1988–1993 **Courses in Maths, Philosophy and History**, *Universities of Leiden and Amsterdam*, Leiden and Amsterdam, The Netherlands, .  
Enrolled in maths degree right after high school. Changed to philosophy after a year. Took some time off then started history degree. Left in '93 for Australia to do music education.
- 1995–1998 **Diploma of Music**, *Griffith University*, Brisbane, Australia, .  
Self taught pianist from 89. Auditioned in '93. Music is difficult but one of the few worthy challenges in life I think.

---

## Work

- 2013–2014 **IT Consultant**, *Mamre*, Brisbane, Australia.  
Disability organisation. Implemented databases, websites and supplied general IT support
