

Michiel van Oosten

Self-taught. Analytical and thorough. Forever inquisitive.

Education

- 1982–1988 **VWO (Preperatory Scientific Education)**, *Pax Christi College*, Druten, The Netherlands, .
Graduated with maths and science subjects. Beta subjects at Dutch high schools.
- 1988–1993 **Courses in Maths, Philosophy and History**, *Universities of Leiden and Amsterdam*, Leiden and Amsterdam, The Netherlands, .
Enrolled in maths degree right after high school. Changed to philosophy after a year. Took some time off then started history degree. Left in '93 for Australia to do music education.
- 1995–1998 **Diploma of Music**, *Griffith University*, Brisbane, Australia, .
Self taught pianist from 89. Auditioned in '93. Music is difficult but one of the few worthy challenges in life I think.

Work

- 2013–2014 **IT Consultant**, *Mamre*, Brisbane, Australia.
Disability organisation. Implemented databases, websites and supplied general IT support
- Developed two websites www.mamre.org.au and www.pavetheway.org.au
 - Technologies used: Drupal, CiviCRM, Apache, Linux, VPS (Linode).
 - Held tutorials on the use of Drupal and CivCRM.
- 2012–2014 **Developer and maintainer of website**, *Firstdoor*, Brisbane, Australia.
Business website
- Built from scratch on nodejs www.firstdoor.com.au
 - Technologies used: Javascript, HTML, CSS, Nodejs, AngularJS
 - Served by custom built server: github.com/michieljoris/bb-server
- 2011–2013 **Developer of web application**, *Multicap*, Brisbane, Australia.
Roster and time sheet management app.
- Built using CouchDB and SmartClient
- 2001–2013 **Piano studio**, *Self-employed*, Brisbane, Australia.
Self taught pianist. Started playing piano at 19. Finished music conservatorium at 1998. Some public performances.
- Loved teaching all levels for 10+ years, giving occasional charity concerts.
